Fokkerstraat 511
3125 BD Schiedam
The Netherlands

Nemad Maritime Safety (service station)

Fokkerstraat 513
3125 BD Schiedam
The Netherlands

Key features

Articlecode: 53725.00005

10 year battery life

Weight: 422g

Operational temperature range: -20°C – +55°C

Product features

The world's most compact EPIRB can be easily retained within its manual quick-release bracket or placed in an emergency grab bag or life raft. A simple protective tab prevents inadvertent activation. It also features two high-brightness strobes to maximize visibility in low-light conditions.
